

Prac Exam Feedback - Context Response.

* Things to remember:-

Structure

Intro — Introduce Context and the focus of the prompt. If you are writing a Persuasive piece your contention must be very clear. With Expository you have to acknowledge that there are multiple perspectives.

You then need to highlight your areas for discussion.

Don't just write one or two lines here!!

Body paragraphs

T — Topic: What am I discussing.

B — Background: Details.

E — Evidence: Quotes, stats, descriptions.

[E — Explain: How does this relate to
L — Link: the prompt? What side
does it address?

↓
Tie your paragraph up.

Reinforce your contention.

Rebuttal

Introduce an alternate perspective and then **QUASH** it. You have to discredit the argument/perspective you have just introduced, otherwise it is going against your contention.

Conclusion

Persuasive: Conclusion needs to reinforce your contention. Make this VERY clear here.

Expository: Sum up your points and acknowledge that there are multiple perspectives to this discussion.
